GENEVA BUS CODE OF BEHAVIOUR AGREEMENT

To be completed for all students

1. School Principal

School buses are amongst the safest ways of travelling to and from school. Good habits and practices help to keep them safe for everyone on and around the bus.

Bus services benefit the entire school community and it is important that we recognise the value of the service and what we can all do to have them operate safely, effectively and fairly.

As the school Principal, I support the rights of all students to feel safe on their journeys to and from school. I support the efforts of all parties - operators, bus drivers, staff, parents and students to ensure the safe use of public transport services, and I endorse the Code of Behaviour outlined below and believe that it is consistent with and complements our School’s Code of Behaviour.
