VERSE OF THE WEEK

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs.

KIDSMATTER CORNER

Clean up Australia day is on the Friday the 3rd of March. As a school community we love keeping our grounds at an excellent standard. We want to encourage you to be the look out for places you may play with your family in the community, is there anything you can do to make it look better than you found it? Why not turn it into a fun scavenger hunt! Send in your photos of your interesting treasures!

OUR TWO RULES

We have many different rules within the school community, however 2 stand out more than the rest:

"The 6 Inch Rule" & "The Golden Rule" - and you as parents need to know what these are and support us in helping your children keep them:)

Firstly, The 6 Inch Rule, as you can see by the name it has been around for sometime. It means that each of us has a distance of 6 inches, where we respect other peoples space. Of course, it is not enforced when it comes to games or play, but will be enforced for the protection of each other.

"The Golden Rule", is what Jesus spoke about in the Bible. He has directed us to do and say to others, what we would want done and said to us. So before we go to say something mean, or do something unkind, we need to stop and decide, DO I WANT THAT SAID OR DONE TO ME???? You can't take back words said in anger or haste! How lovely to hear our children getting on and playing nicely together. This doesn't always happen, but as adults if we display this type of behaviour ourselves, more often than not, our children will have good examples to follow.

CANTEEN HELP

As our numbers have grown, we are needing extra help in the school canteen. Kerri & David Roberts are happy to head it up but would like extra support each Friday. If you are willing to assist, even once a month, it would be much appreciated. Please give Meg a call in the front office and let her know.

Mary-Ann and Kaitlyn enjoy the SAKG program where they get to make tortillas!

One of our Geneva families is looking for a place to rent. They are needing 4+ bedroom house, outside pets allowed, preferably rural area and \$300p/w.

Ideally around Devonport, Latrobe or Port Sorell area. Please call Tamie on 0481 092 603 if you have something available.

A BIG thank you to Mr Forward (Davis) who washes and cleans our big buses on a weekly basis! It's a big task to keep our buses looking great!
