KINDER REPORT

We have loved our first two days of school. We know that antelope reads “a, a, a”. On Wednesday we enjoyed having music with the Prep – Grade 3's. We also started our Reading Eggs lessons on the computer. These lessons help us with the sounds of the alphabet and also help us to practice using a mouse.

PREP REPORT

We have enjoyed learning about the letters, “c”, “p”, “h” and “n” this week. We watched some popcorn popping out of the machine! It made a p, p, p, sound! Swimming is lots of fun and we are enjoying using a kickboard and kicking up to the other end of the pool. We are learning about the fruits of the Spirit and also about God's creation.

GRADE 1-3 REPORT

We have three new fish in the Grade 1-3 class. We brainstormed, voted on names, and decided on Dr Fishy, Hercules & Goldie. We have also done a science experiment, to see how many marbles we can fit in an aluminium boat. We have also started writing a story.

GRADE 7-9

Student of the Week

Bryce Cute – for good behaviour & a great start to his PACE work

Encouragement Awards

Samuel Kaine & Luke Minton-Connell – for completing their first literature!!

An exciting week in the Kinder & Prep class room ☺
