INTRODUCING SHADRACH, MESHACH & ABEDNEGO

By now all of our students have been allocated one of our house teams which are named after three young men who were close mates and good friends of Daniel. They had been taken from their home and relocated far away in Babylon. There they had some scary adventures but remained true to their upbringing and loyal to their God who happens to be ours as well! Watch this space to read more about Shadrach, Meshach and Abednego!
