## WHAT REALLY MATTERS?

The following is the philosophy of Charles Schulz, the creator of the 'Peanuts' comic strip. You don't have to actually answer the questions. Just ponder on them. Just read this straight through and you'll get the point.

1. Name the five wealthiest people in the world.
2. Name the last five Heisman trophy winners.
3. Name the last five winners of the Miss Australia pageant.
4. Name ten people who have won the Nobel or Pulitzer Prize.
5. Name the last half a dozen Academy Award winners for best actor and actress.
6. Name the last decade's worth of World Series winners.

How did you do? The point is, none of us remember the headlines of yesterday. These are no second-rate achievers. They are the best in their fields. But the applause dies. Awards tarnish. Achievements are forgotten. Accolades and certificates are buried with their owners.

Here's another quiz. See how you do with this one.

1. List a few teachers who aided your journey through school.
2. Name three friends who have helped you through a difficult time.
3. Name five people who have taught you something worthwhile.
4. Think of a few people who have made you feel appreciated and special.
5. Think of five people you enjoy spending time with.

Easier? The lesson: The people who make a difference in your life are not the ones with the most credentials, the most money or the most awards. They are simply the ones who care the most!

## LAMINGTON DRIVE

Just a friendly little reminder that lamington order forms and money are due back next Friday, March 16. The lamingtons really are scrumptious so spread the word and gather as many orders as you can to help make this a great fundraiser! Thanks for your help and support.

## CANTEEN FORMS BACK TOMORROW

As it is a long weekend this weekend (so don't come to school on Monday ☺) we need to have all canteen forms back by tomorrow, Friday, March 9! So please fill out your canteen forms and return to school TOMORROW! Thanks for your cooperation in this matter.

### KINDER REPORT

We now know that mule reads "m, m, m". We had some little tiny mice in our classroom. They were fun to watch. This weeks zoo animal that we learnt about was the zebra. God made the zebra's stripes all different. We have also talked about rectangles.

### PREP REPORT

Autumn has arrived and we have enjoyed talking about the changes that happen during this season. We made some beautiful autumn trees with different coloured paper. We have learnt our first look and say word and everyone can read and write the word "the". This week, we traveled to Italy in our around the world lessons. Rome has lots of old buildings. The Colosseum and the Spanish Steps were built many years ago.

### Medal Winners

- Michael** – for excellent spelling
- Jackson** – for neat work
- Holly** – for listening in Assembly
- Oliver** – for doing a great job with his colouring in
- Liam** – for being hard working during Pace work time
- Elisheva** – for an excellent attitude at swimming

### KOORONG CATALOGUE

Please have all money and orders to school by **tommorrow Friday 9<sup>th</sup> March**. Place in an envelope marked "Koorong Book Order".

### GRADE 3&4 REPORT

The grade 3&4 class have had fun learning about homonyms. We have been enjoying our swimming lessons too. William Perry is our student of the week. Well done William!

### GRADE 7&8

#### Student of the Week

**Lewis Lamont** – for a great attitude towards his work as well as his classmates.

### GRADE 9&10

#### Student of the Week

**Laura** – for a great start to the year and for an excellent effort with her PACE work

### WHAT IS VITAMIN D?

Vitamin D is produced by the body on exposure to sunlight. It should not be assumed that children get enough Vitamin D from sun even in sunny Australia. Most children won't get enough Vitamin D from food. Foods naturally containing Vitamin D include salmon, herring, mackerel, sardines, beef liver, cheese and egg yolks.

Vitamin D improves muscle strength and function. Vitamin D promotes calcium absorption for strong bones. Vitamin D helps maintain a healthy immune system which helps prevent certain diseases.

Children who have an indoor lifestyle are at risk, as well as those who wear a lot of sunscreen and cover up all the time. This is not saying get burnt, but it is saying get outside more, away from electronics and into the fresh air. Boost your Vitamin D and boost your health:)

### FOR SALE

The following items are all for sale – a great selection of nerf guns, 2 mice and a cage, near new Adidas soccer boots – size 5, boys size 10 Ocka jacket, 1 lounge suite suitable for a playroom or shack. If interested see Mrs Colledge or contact her on 0407 269 368.
