LONG WEEKEND

Just a reminder that this weekend is a long weekend. Do not come to school on Monday please ☺

CANTEEN

Owing to the public holiday on Monday, it would be very helpful if everyone could please have their canteen orders in by tomorrow, Friday, March 8. Thank you so much.

GREEN CARDS

If your child travels on the Devonport/Ulverstone bus they must have a Student Green Card. If you do not have one, application forms can be picked up from the school office. Once you have filled them out, please return them to school as soon as possible! Thank you so much for your co-operation in this matter.

Colourful bracelets made by the kinders, plants grown by the 1&2's & some beautiful faces in Grade 3&4 ☺

HAIR & UNIFORM

Dear parents, it is very important that students wear their school uniform properly! For the girls - please make sure they are not wearing excess jewelry or make up (high school girls are allowed 1 pair of sleepers or studs, a watch and a ring – anything else can be confiscated) and that their hair is tied back neatly. Please make sure that boys are wearing correct shoes, have their tie on, their shirts tucked in and that their hair is short and neat. Thanks so much for your help to keep our students looking clean & tidy ☺

NITS

Nits are on the loose again. Please help us fight these nasty little vermin by taking a couple of steps to aid in prevention and elimination –

- keep girls hair tied back neatly
- keep boys hair short and tidy
- label your child's hat and discourage 'hat-sharing'
- do a 'nit check' regularly
- if you do find some invaders please keep your child at home, treat their hair, wash and treat their bed linen and clothing & wash their hat
- regular follow up treatments over the next week are recommended

GRADE 1&2

What a busy first month! We have been doing so many fun things. We went to visit a pet shop to look at some of the different pets we could buy, and what they need to survive. We have been learning about the sense of touch and sight with Miss Martin. We have also started growing some things in our garden. The corn and peas have come up, and so have our tomatoes! Hopefully we will have lots of yummy food to eat!

Student of the Week

Jackson Bass – for great work on his first tests

GRADE 3&4

Grade 3&4 have been busy doing a unit of work on spiders and insects. It is so much fun!

Student of the Week

Samuel Jackson – for his keen, conscientious approach to his work

GRADE 7&8

Mr Esley Dunham and Mr Peter Colgrave, from the Gideon's, talked to the year 7 and 8 class today about the Bible, some historical facts and why we can trust on the Bible as being God's written word. We also looked at some ways in which the books of the Bible correspond regarding prophecies about the birth of Jesus.

Student of the Week

Laura Rogers – for diligent work, a good attitude, great results and being respectful – well done Laura!

Inspiring. Creative. Snappy.

Little Big Shots is Australia's only stand-alone film festival for young people. The short films, ranging from animation to documentaries inspire creativity and curiosity, but most of all they make children laugh, whoop and imagine another world. Founded in 2004, the international and tremendously popular programme presents short films made for, by and about children. This free, island themed selection has been curated for Ten Days and includes stories by some of the world's best film-makers, alongside the next generation of young movie makers. *Little Big Shots* has two programmes – one for children from 2–12 years old, the other for those 6–16 years. Australia's only stand-alone film festival for young people, *Little Big Shots* deserves an Oscar for raising the media literacy of Australia's children and fostering their creativity, emotional intelligence and cultural inquisitiveness. Once the credits roll, the young audience and even budding film-makers are invited to share their own opinions, ideas and reviews.
