GOOD MANNERS

Teaching your kids good manners gives them confidence and makes them more pleasant to be around. A child who is respectful and considerate of others often gets the same treatment in return. Manners are an important social skill that is necessary for people to live together. Children with bad manners not only offend others, their manners can reflect badly on their parents. Starting from an early age, begin modeling good manners to your child, such as teaching your child to share, to say please and thank you and to say excuse me. Our teachers reinforce this every day at school. When you notice them using good manners, praise them and we will too:)

P&F MEETING

There will be a P&F Meeting on Monday 23rd March, in the Geneva morning tea room at 10:45am. All new and existing parents and friends are more than welcome to come along. Join the staff for morning tea prior to the meeting at 10:30am. For any information please phone Michele Colledge for further information. 0419 327 056
