### MISSION IMPOSSIBLE!

So goes the title to a series of movies made famous by Tom Cruise. But when the Son of God came down from heaven to earth, He was on a mission impossible. The angel told Joseph and Mary, "Call His name Jesus, for He will save His people from their sins." (Matthew 1:21) That was His mission - to save His people from their sins.

Talking years later to His astonished disciples about how it was possible for man to be saved, Jesus said, "With man this is impossible, but with God all things are possible." A number of times He reminded His disciples that He must finish the work that His father, God the Father, had sent Him to do.

As we approach that time of the year when many Christian churches meet to celebrate the death and resurrection of Jesus, I am reminded of the MISSION IMPOSSIBLE. Jesus achieved the mission that God the Father set Him to do. He paid the price for His people and the last thing He said before He died was, "It is finished." Mission accomplished!

### CONGRATULATIONS!

Over the weekend our very own Shantel Radford participated in the Tasmanian State Eventing Championships. This included dressage, cross country and show jumping events run over 3 days. Through much hard work, effort and enthusiasm, Shantel and her horse, RL Dragon Dance, came out on top as the Grade 2 Eventing Champions!!!! We are so proud of them. Well done.

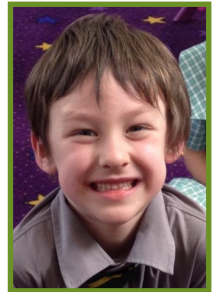

### DEFENCE FORCE RECRUIT

On Monday Brock Browning, our Year 12 student from last year was inducted into the Australian Defence Force. He commences his 80 day training this week so we ask that you pray for Brock and his family during this time. We look forward to mid-June when Brock graduates and marches out in Kapooka.

Dear Parents,

We are having a curious time at lunch times with the primary/infant children.

"Mummy says I don't have to eat my crusts."

"I don't like my crusts. I will put them in the bin when the teacher isn't looking, so Mummy doesn't know I haven't eaten them."

"I don't want to eat my crusts."

Suggestions:

1. If you don't insist your child eats their crusts, please cut them off before they come to school.
2. If you want your child to eat them, try lovingly putting the butter and fillings right to the edge of the sandwich, so they are not so dry.
3. Try making the sandwiches more appetising, or suggest, for fun, that they eat their crusts first!

Here are some links you can go to, to find some yummy ideas for your child's lunch.
