WITHOUT EXCUSE

The heavens declare the glory of God; and the firmament shows His handiwork. Day unto day utters speech, and night unto night reveals knowledge. *There is* no speech nor language *where* their voice is not heard. (Psalm 119:1-3) For since the creation of the world His invisible *attributes* are clearly seen, being understood by the things that are made, *even* His eternal power and Godhead, so that they are without excuse.... (Romans 1:20)

When I consider Your heavens, the work of Your fingers, the moon and the stars, which You have ordained, what is man that You are mindful of him, and the son of man that You visit him? (Psalm 8:3-4) But God demonstrates his own love for us in this: **While we were still sinners**, Christ died for us. (Romans 5:8)

This awesome Creator God who made our beautiful earth (which, by the way, can fit into the sun 1,300,000 times!), that amazing sun, our Milky Way Galaxy (There are 200-400,000,000,000 solar systems in the Milky Way!) and the whole HUGE universe, loves and cares for us! But we must see and believe the evidence. Next time you go for a walk, look around. You are without excuse. -The Word of God, Wikipedia & Beck Acheson

2009 'GENERATION' YEAR BOOK

A copy of last year's 2009 Year Book has been sent home to each family. We apologise for the delay. A big thank you to all the students and Miss Cumming who put it together. ☺

PREP REPORT

This week we have had fun learning about the emu and spring. Do you like our spring flowers that we painted using our fingerprints? On Wednesday afternoon, Miss Martin's two nephews, Ethan and Nathaniel and her niece, Annette came for a special visit. We had show and tell together and then sang some songs around the piano. Lots of fun games were also played. One of these games we had to listen to music as we tapped a paper plate on our head, nose, hands, foot and elbows. Thank you for visiting us Nathaniel, Ethan and Annette.
