# SWIMMING CARNIVAL TOMORROW

Our annual Swimming Carnival is here!! TOMORROW, March 27th at SPLASH (the Devonport Aquatic Centre). Students will be travelling there and back on the buses. All students are to wear full sports uniform, bring modest bathers to swim in and a packaged lunch and drink bottle. There will be a kiosk operating throughout the day. If you wish to pick your child up from the pool then please let the front office know.

## DEAR PARENTS...

In assembly on Wednesday I talked about friendships. We saw that Shadrach, Meshach, Abednego and Daniel were good friends. They helped out one another especially when there was trouble, they prayed together, and when things were going well for one, the others were included. (See Daniel chapter 2 verses 17, 18 & 49.)

It is very important that our children form good friendships. Don't be too picky though, none of us are perfect. These days with the social media, especially Facebook, good friends are precious. There is someone who I wish all our children added as a friend. I'm talking about the Lord Jesus Christ. Jesus said to his disciples (John 15:14) "You are my friends if you do whatever I can command you."

A friend request to Jesus will not be deleted, will not be ignored. Make him the top of your list. He is a friend that sticks closer than a brother. DL

26th March, 2015

Term 1, Week 7

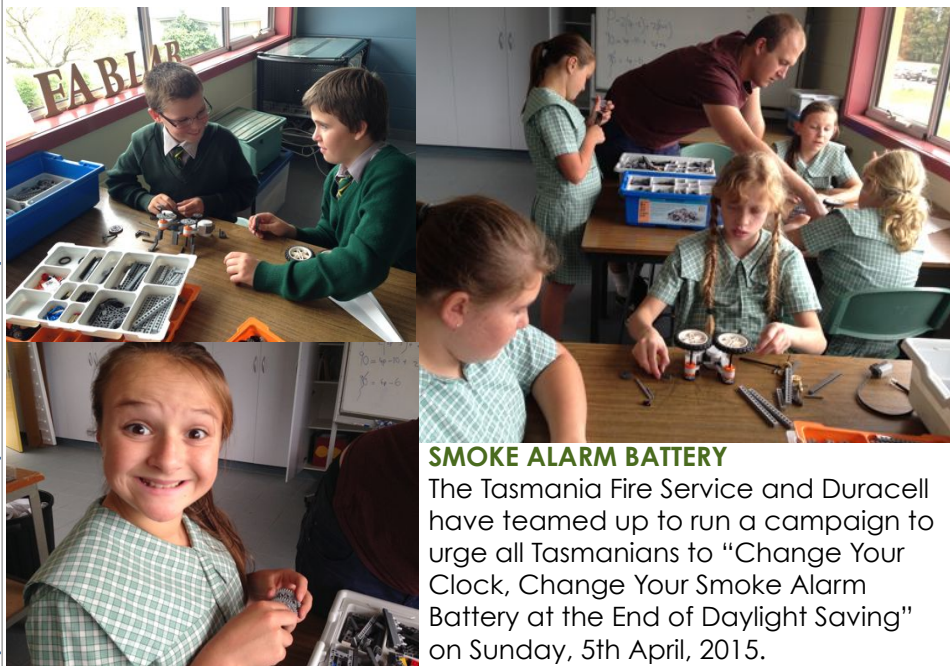

This week Prep have been learning all about 2D shapes during Maths. We have been going on shape hunts, making shape pizzas, drawing shapes and discussing the number of sides each shape has. We have also been practicing counting from 1-20 and backwards and skip counting by 2's! During literacy we have been practicing the sounds of the alphabet through our flashcards, fishing pond and work books. We have been using these to read and write many three letters words, even whole sentences!

We have been doing lots of other work this week including dramatic role play, learning about the 7 days of creation in Genesis, reading stories, singing songs, craft activities and daily P.E. What a fun and busy week we have had, well done Prep!

## GRADE 5/6

Grade 5/6 have been having a great time learning. We have been learning about micro organisms in science, cooking delicious seven layered dips, making paper plane launchers in Fab Lab and working really hard to complete all our units of work before the holidays.
