GRADE 3&4 REPORT
Last week the Grade 3&4 class took the kinder children to visit the two miniature pigs that live down at the Butlers. Their names were “Bossy Boots” and “Meg”. They were kind of cute! This week we visited Anvers Chocolate Factory on Monday, then watched “Willy Wonka’s Chocolate Factory” on DVD on Tuesday afternoon. We made popcorn to enjoy while we watched the movie.

SOUTH PACIFIC STUDENT CONVENTION
Student Convention happens every year here in Tasmanian and other states around Australia. It is a time where all our students gather together at Camp Clayton and compete in various categories across our curriculum. For example, athletics, art, craft, platform, music vocal, music instrumental and academics. This year our state convention will be from October 1 - 4.

Every two years there is a bigger Student Convention held somewhere in the South Pacific region. This year it is being held in Fiji. In the past we have taken small groups of students to these Conventions and had a marvelous time. We are anticipating doing the same again this year.

This South Pacific Convention (SPSC) will be from December 9 - 14 and we hope to have a few days of sightseeing afterwards. At this stage we are asking which students are interested in going. We have spoken to the whole senior school and have asked students to talk with parents over the Easter break. We will have an information meeting early next term. The approximate cost of this trip at the moment is $1750 for around 12 days. A letter will go home next term to those who are interested.

COACH BONES’S BLURB
Congratulations team for the 9/4 victory in the weekend. You all played well and contributed to the win with everybody doing their part and you can all be very happy with the result, keep up the good work guys. Joel summed it up when he came off and said “I’m having such a good time Mummy, this is really fun”. Please read 1 Corinthians ch 12 v15-26 for a great example of teamwork.
