ANZAC DAY - ATTENTION PARENTS AND STUDENTS

ANZAC Day this year falls on a Saturday. (April 25th) Previously Geneva have always been represented at the service by a primary and secondary student. As it is the 100th Anniversary of the landing at Gallipoli of the Australian and New Zealand defence forces, we as a school would like to commemorate this event by inviting as many of our school families to take part in the march down Gilbert Street in Latrobe to the Cenotaph outside the Latrobe post office.

The march to the Cenotaph is open to all, however there is an order in which ex-Servicemen proceed. The public will come after, and this will be managed by the Parade Marshall. People will assemble in James Street from 9.30am and set off at 9.50am. The streets in this area will be closed to traffic, so you will need to park a distance away and walk to James Street. When the parade arrives at the Cenotaph, the official folk will have selected positions, however the public will just find a spot wherever there is standing room. I would suggest the drive way at the side of the Court House & Post Office. Please mark this on your calendars and start talking about and discussing this important day with your children. There is a lot of information on the internet and I am sure many families will have family members who were involved in the conflict of not only World War 1 but more recent battles around the world. Our freedom as a nation is most certainly due to events such as ANZAC Day and we should give thanks to God for these folk. To march on ANZAC Day is one way we can show our support. Students will need to be dressed in full winter uniform and adults in neat dress. If you have any queries, give the office a call:)

SCHOOL RESUMES

Term 2 commences on Tuesday April 21. Students need to all be in full winter uniform. Check our website for the uniform details for your children. www.geneva.tas.edu.au

DO YOU KNOW WHAT YOUR KIDS ARE PLAYING AND WATCHING?

Parents, we ask that you review the games and movies that your kids might be watching. It pays to check the rating and that's easy, just google the name of game or movie and ask for the rating. It may also give you a run down on what it is about e.g. violence, language etc.

We have become aware of very young children watching this kind of stuff and want you as parents to be aware also. Check iPads, phones and DS's and be sure to delete anything that's not suitable.
