MAISIE'S ADVENTURE!

Maisie Bond in Grade 9 is visiting relatives in Ethiopia. She wanted to share some of her experiences with us. She spent a day visiting some relatives in Gondar. To get there she had to travel on horse back. Their living quarters were thatched huts with upper floors where the family slept. Underneath the cattle sleep at night to keep things warm. They have gum trees in Gondar used for fire wood and building materials. Maisie has had her hair braided and enjoyed sampling a local cereal called injera. Its gluten free and used mainly as a flat bread served with stews, rice and vegetables.

UNIFORM CODE

Dear Parents & Students,

It has come to my attention that since we have made a few changes to uniform this year, that some, not all, students have taken liberties with what they are wearing and how they are wearing it. We have had a staff meeting in regards to this and will be cracking down on uniform in Term 2. We are allowing those students who are not complying over these next few days of term, to fix whatever is wrong and start afresh. However in Term 2 we will be giving one warning and then consequences including detentions will follow. Please parents, check your children and what they are wearing and get it sorted :) If in doubt, go to our website www.geneva.tas.edu.au and take a look at what is expected. Or come and see me with any concerns :) Uniform is essential and important and should be worn with care and pride.

SOUTH PACIFIC STUDENT CONVENTION!

We are just letting you know that Geneva is intending taking a group of high school students to the South Pacific Student Convention in Victoria in December. This excursion would also include a trip afterwards, somewhere in Victoria.

What: The South Pacific Student Convention is held every 2 years around Australia, Asia & New Zealand. This year it will be held on Phillip Island

Who: Any high school student who has placed in any event at State Convention in either 2015 or 2016 and who is committed to competing in a reasonable number of events at both State & South Pacific Conventions.

When: The trip would run from December 10 - 20 (11 days). It is anticipated that the trip would return in time for Presentation Night and the Seniors Dinner.

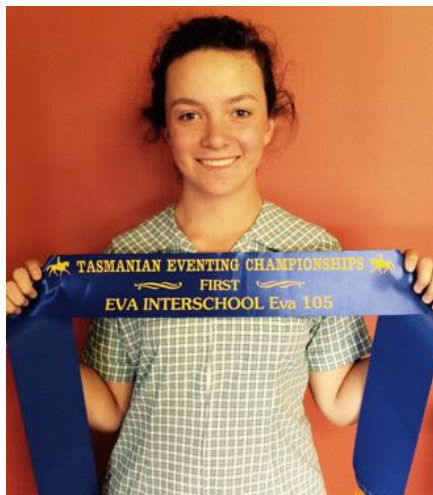

Cost: Approximately \$1400, which includes: Convention, travel, accommodation, meals and entry to certain places. Spending money is not included.

It is a wonderful opportunity for young people to get together for competition and fellowship. Lasting friendships have been made on many of these trips. We have spoken to the whole high school about this and have over 30 student names on the interested list. We will send out a further letter early in Term 2 and hold an information evening for interested families. Please talk this over with your child and watch out for further information early next term.

WELL DONE SHANTEL!

At the State Eventing Championships which were held at Querkus Park over Easter Saturday and Sunday, I, Shantel, competed for the school. Over the 2 days I completed dressage, show jumping and cross country. The level I competed at was Grade 1 which is a level higher than I am used to and I placed 1st for the school and 2nd overall against experienced adults! Due to my 1st place in this event I now have the opportunity to represent the school in September in Sydney!! Go Geneva!!
