FAMILY TIME

Family time is a sacred thing — especially if you want your kids to have good memories of their childhood. Sadly, most families today are so busy they seldom have time just to relax and be together. The best way to fix this problem is to fix the problem! That means making a conscious decision to slow down and to cut back and to expect the same from your kids.

Begin by scheduling at least three days a week where everybody eats dinner together. I said together, that means no phones, iPads, iPods etc. on or near the table and then block off enough time for good conversation. You might also set aside an evening a week as a designated family night. You can play games or just make popcorn and watch a movie together.

Family time doesn't just happen. You have to make it happen.

Keep this evening free !!!

The Time & Talent Auction, for those who don't know, is an evening fundraiser where donated goods and service are listed and auctioned. It's loads of fun! Below is a form asking for you as a family to donate some items, time or special talent you have. Following are some ideas for you to look over. You can donate something that you are good at or enjoy doing. This is a great night out, so we invite and encourage parents, relatives, friends and neighbours to come together for the auction and supper. There is something for everyone and you always get more than you bargain for! The proceeds go to the Parents & Friends which in turn come back into our school.
