PIE DRIVE

Thanks to everyone who participated in the pie drive in anyway. It was great ☺

PRAYER CORNER

~ Pray for all the things coming up next week – Cross Country and Youth Foundations. Pray that work will continue to be achieved even with all the distractions!

~ Pray that we will all have a blessed last week of term and that the holidays will be refreshing for students, teachers and staff.

~ Pray that the students going to Youth Foundations will have a great time and take the things they learn to heart. Pray that they will all get enough rest and have a safe time.

ONE WAY

According to polls a surprising number of people believe there is more than one way to Heaven. Even more surprising is that some of our modern day Christian churches are not confronting this issue.

The only reliable information concerning the "way to Heaven" can be found in God's written word, not in the opinions of men. We must rely only upon His way. "The Way" was a designation for early Christians. It was "The Way to Heaven" then, and is "The Way to Heaven" now.

Christianity itself rests upon a "plan of salvation," so easy that even a child can understand. This perfect plan must be maintained, else those who follow the wrong teachings will spend eternity in Hell.

God's written word say's the way to Heaven is through what Jesus did on the cross.

Jesus died on the cross so that we might have eternal life.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." (John 3:16)

"Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved." (Acts 4:12)

Jesus said "I am the way and the truth and the life. No one comes to the Father except through me." (John 14:5-7)

Are you going the right way?

PREP REPORT

Our literacy lessons this week have focused on the letter "q". It felt strange and a bit tricky writing our name with a quill. We are glad we have pens and pencils to write with now and not have to use a quill like they did many years ago. We also drew and designed our own patchwork quilts on paper. Last Thursday was vest day and we all wore a vest to school for the day. We looked at the colour and design of each vest and counted buttons, zips and pockets.

MY MEMORY'S NOT WHAT IT USE TO BE

Just a line to say I'm living,
that I'm not amongst the dead;
though I'm getting more forgetful
and more mixed up in the head.

Sometimes I can't remember,
when I'm standing by the stair,
if I'm going up for something
or have just come down from there.

And before the fridge so often
my mind is full of doubt;
now did I put some food away
or come to take some out?

If it's my turn to write, dear,
I hope you won't get sore;
I think I may have written
and I don't want to be a bore.

So remember that I love you
and wish that you lived near;
but now it's time to mail this
and say goodbye, my dear.

I stand beside the mailbox
and my face – it sure is red;
instead of posting this to you
I've opened it instead!
