CROSS COUNTRY

Thank you to everyone who came along to Cross Country. To all the students who competed – you ran well and finished the race! Well done. To all the parents, grandparents and teachers who cheered them on – your encouragement and enthusiasm were invaluable. To all the people who helped in all ways, great and small, on the day – we could not have done it without you. And to God – Who's unfailing love and faithfulness presided over the whole day. Thank you. Thank you. Thank you. ☺

HAIR HAIR AND MORE HAIR

This is to inform parents and students that as of next term we are changing the current rule of senior girls having their hair out, to senior girls keeping their hair tied in. We have come to see that having hair out is a problem in several areas and has proved to be a hassle more than a benefit. Sorry girls.

SCOOTERS, BIKES & SKATEBOARDS

The Port Sorell Neighbourhood watch group have contact the school in regards to young people and their use of bikes, skateboards and scooters in their area. The concern is that as there is a large group of older people living in this area, younger folk need to be aware when they are out in public on their bikes etc. We have spoken to all of our students and ask that if you live in this area, please can you also talk to them, to help keep our communities safer for all.

IS YOUR INTERNET PROTECTED AT HOME?

There is a new product available now for the family home to protect you and your family from the dangerous side of the internet. The product is called CYBERSAFE 247 and we highly recommend that you take a look at it on the following website. The beauty of this modern is that you as parents are able to take control of what comes into your home from the internet. And don't worry, its very easy to use and understand. If you need help at all the Cybersafe team are only a phone call away. www.cybersafe247.com

On Wednesday, there was a memorial tree planted at school for Mr Stephen McNulty, Laura's dad. The maple tree is planted at the school's entrance.

We wish all our families a safe and happy holiday break ☺

PREP & KINDER REPORT

We had so much fun at Kid's Paradise in Launceston. In the downstairs area, we went on the jumping castle, rode little bikes, played air hockey and indoor soccer. Upstairs, we could play dress ups, shops, doctors, hairdressers and be active on the pirate ship. Thank you Mr. Butler for driving us safely and being such a great bus driver! We have also enjoyed having Jess with us this week. She has been doing work experience and we have loved having her help us. Thank you, Jess!

CHOC WINTER FEST YOUTH RALLY

There will be a Chocolate Winter Fest youth rally at Latrobe Baptist Church on Sunday, July 8 at 3:30pm. There will be music, a speaker and a great 'chocy' meal to follow.

LATROBE BASKETBALL CLUB

The Latrobe Basketball Club is in the process of organising rosters for primary aged children in the local area. The aim is to cater for years 3-6 students - both boys and girls. We would like these teams to be school based where possible, but if individuals wish to play, we will form teams combining several schools. We would like to start this roster early in July. There would be a cost of \$40 (which has to include reg. with Basketball Tas. and the NWBU) and a \$3 per game door fee. If you would like any further information, please do not hesitate to contact us.
