THIS IS ESPECIALLY FOR YOU, STUDENTS!!

What do others see when they look at you or when they hear you speak or see you act? Do you pretend to be someone nice, kind and thoughtful, then when you're not with them, you are hurtful, hateful and thoughtless. Is your language and talk always sweet, honest and true? Do you look at stuff that is wrong and you know it? Do you swear when your teacher or parents aren't there? Do you gossip about others when they're not around. As people we often look at the outward actions of others and make a decision as what these people are like. BUT God not only sees our outward deeds, He also knows our hearts and minds. He knows what we are REALLY like. What are you REALLY like?
