IMPOSSIBLE IS NOTHING

Yesterday in chapel we heard about the people who were living at the time of Jesus' birth. Mary of course was there. The angel Gabriel spoke to her about having the baby Jesus. She wondered how that was to happen seeing she did not know a man. The angel told her that "with God nothing will be impossible."

Years later Jesus was discussing with His disciples how hard it was for man to enter the Kingdom of God. Jesus told them that with men it is impossible to be saved, but not with God; "for with God all things are possible."

Isn't it wonderful that we have an all-powerful God who can save poor wretched ones like us. The angel said to call Jesus by that name which means Savior because He would save His people from their sins. Are you one of His? Please make sure of it.

PARENT TEACHER INTERVIEWS

As you are all aware, Parent Teacher Interviews will be held this coming Monday, Tuesday & Wednesday. They are a really important time for Parents and Teachers to catch up, have a chat and sort out any concerns or issues.

TIME AND TALENT AUCTION DONATIONS

Thank you to everyone who has already made a donation. There are already lots of exciting things that have been pledged. If you have not yet returned your donation form please do so as soon as possible. A P&F representative may give you all call in the next week to discuss your pledge 😊 Thank you for your support and enthusiasm.

CANTEEN FORMS

Canteen orders need to be in by Monday. Thank you.

JUMP ROPE FOR HEART

Listening to the Jump Rope for Heart lady.

We didn't know our teachers could skip!!

Watching the Jump Rope for Heart team show us some cool skipping skills.

Putting our new skills into practice 😊

KINDER/PREP REPORT

Our reading is zooming along and we are really enjoying each lesson! This week the new sound was “g” and we read a story about fig jam. Miss Martin bought a fig to school for us to look at, touch, smell and taste! Nearly everyone loved the taste of the fig and wanted more! On Wednesday, the Preps and Kinders loved watching the skippers who came to show some special skipping skills. They learnt that it is important to exercise their heart and a good way to do this is by skipping.

Medal winners

Rheanna – for lovely sewing

Ryan & Bailey – for listening in assembly

Samuel & Nathan – for excellent spelling

KOORONG

Please browse and return all orders to school by Friday, June 3. If possible please send cash with your order form in an envelope marked “Koorong orders”.

GRADE 4-6

We have had a busy and interesting week. We have cooked macaroni cheese in cooking and worked out how many drops of water we can fit on a five cent piece in science. We have been writing stories for convention. On Wednesday we had the jump rope for heart demonstration squad come to school and teach us some awesome skipping tricks.

DRIVER AWARENESS

On Monday this week, our Grade 10 students along with Mr Butler, attended the Driver Awareness Course run by the Rotary Youth at Camp Clayton in Ulverstone. The students attended workshops including safe stopping, distance demonstrations, identifying hazards, distractions and risks. There was also a intense session with survivors of crashes. Students were shown graphic footage of tragic consequences surrounding road accidents and had opportunity to talk with road crash survivors. In all it was an intense, but enlightening day, giving students some knowledge and skills to cope on our roads, once they start to drive. Thank you to the Rotary Youth and also to Mr Butler.
