MARY'S SONG

In Chapel this week we had a lesson from Luke Chapter 1 about the song Mary sang when she understood that the baby she was carrying was the promised Messiah, the Christ. She called Him, God my Saviour. Mary recognized that she needed a Saviour to save her from her sins. Some people don't think that Mary ever sinned, but Mary obviously knew that she had.

What an important understanding this is to know that we are sinners. But what a wonderful realization to know the Saviour, to know that He is mighty to save, that He is merciful, and that He fills the hungry with good things. I hope you will all have much to praise God for in the days ahead. (Look up Mary's song in Luke 1:46-55)

GRADE 1 – 3 REPORT

This week has been interesting, as we have had many different teachers taking over for Miss Walker, while she was recovering. (Thank you everyone for your prayers and support, it is great to be back.) It has been very busy. We are learning about the amazing planets that God made. We started looking at different kinds of poems and we also learned about some of the countries on the continent of Asia.

SKATE CARS

Thank you Mr Lincolne, for letting us have these great Skate Cars. The Prep and Kinders have 10 new skate cars to play with. But they are not only fun, they are a great way to exercise and keep fit. If anyone would like to purchase one for their 'small children' they make a great gift ☺ (\$140 each) See Bec in the school office.

KINDER REPORT

This week the Kinders have been learning about Winter. They had fun drawing some snowmen. They also made some special walnut boats that floated on the water.

PREP REPORT

It has been such a fun and busy week. We loved using the skate cars for sport! In our five senses lessons we talked about taste and made a tasty treat using marshmallows, apple and peanut butter. We also had a special story about a little girl in Cambodia who didn't have clean water to drink. We are so thankful to God that we can just turn on the tap!
