### FLASH MOB!!

### IS YOUR CHILD AT SCHOOL???????

We spend the first hour of every day making phone calls to families who have not rung into the school to let us know why their children are not at school. One day this week we made 15 calls!! WE NEED YOU TO CONTACT US BEFORE 9.00am if your child is not going to be at school or if they are going to be late. You can either ring the school or send a text message to Mrs Lincolne's phone 0418870767. Your cooperation in this matter is much appreciated ☺

### ATTENTION PARENTS

Do you know who your kid's friends are on Facebook???? Parents you need to check, as we have become aware that there are some children who have friends much older than they are. This is concerning for us and should be for you also. Go through their list of friends with them and make wise decisions about who they are talking to and when. Better to be safe now than sorry later!!!!

### PARENTS & FRIENDS AUCTION

As you know the P&F are holding their Time and Talent Auction on Friday, June 21 at Geneva. Just recently each family received a notice with all the information on it. You were asked to donate your time or a talent and complete the slip at the bottom of the form and return to class teacher. If you have not done this, please could you do so ASAP. It is a great fundraiser and has raised large amounts of money in the past. Some of the resources that we are now enjoying at school from past auctions include: playgrounds, skate car track, outdoor seating, cameras and media equipment. So your support is needed and very much appreciated ☺ Also, don't forget to keep Friday, June 21 free and come along for a time of fun and fellowship!

### GRADE 1&2

We have been learning about the ocean. We have learned about how some animals camouflage themselves to keep safe or to hide from their prey so they can attack. We watched some very cool videos and drew some pictures. Last week, we planted some mung beans, assorted seeds and alfalfa. Yesterday, we got to try them all. Most of us liked all of them, but we liked the mung beans the best!

### Student of the Week

**Bailey Buttery** – for working hard to get his goals done.

### GRADE 5&6

William Perry Working hard with a cheerful attitude Grade five six have been working really hard. We have been learning how to use technology to create stories, and make slide presentations. We have cooked nasi goreng as a part of our Indonesian lessons. Nasi goreng is fried rice. Mr Lincolne spoke about being thankful at assembly. We know that the Indonesian way to say thank you is "Terima kasih" so if we say terima kasih to you, we are being thankful.

### BREAD MAKING

The first loaves for 2013! Unfortunately we are not yet baking with flour from our own grain, however we are making bread with flour, water and, oops, forgot the salt! Hand threshing our spelt grain is proving to be

difficult, the rye is much easier to thresh. We still need a hand mill to grind the grain for flour.

### RURAL BIBLE WOMEN'S CONFERENCE

The Rural Bible Women's Conference day is Saturday 29, June at the Latrobe Memorial Hall. Go to [www.RuralBible.net](http://www.RuralBible.net) for more details on our speakers. Our major mission support project this year is to install a solar powered water treatment system in the Ugandan village of Mpunge. We are seeking donations of homemade jam, chutney, sauce, baked goods, crafts, flowers or plants to have on our Ugandan trade table. If you can assist please phone Elizabeth on 0419 500 296.
