P&F MEETING AND NORWEX DEMO

The next P&F meeting will be held on Monday, May 28 at 9:30am at Geneva, followed by a NORWEX demonstration at 10:15am.

QUOTE OF THE WEEK

“A praying man will be a believing man and a man of faith will be a man of prayer.”

PRAYER CORNER

~ Pray for students and teachers as they work towards convention. Pray that they will be enthusiastic as they plan, practice and prepare.

~ Pray that all our relationships will be honest, caring and God honouring.

~ Pray for protection over our buses, drivers and students as they travel each day.

~ Praise God for His faithful promises in the Bible – that we can take hold of and make our own.

FAMILY PRAYER LIST

~ Sparkes

~ Thornton

~ Townson

~ Turner/Buttery

~ Turner

WOOLWORTHS EARN & LEARN STICKERS

Oh dear, as you will be aware, first we were collecting, then we weren't. WELL now we are again! There was some confusion about the process, but that has been sorted so now we are back collecting tokens from Woolworths. We are very sorry for the muck up. So keep collecting and sending them in ☺ ☺

P&F TIME & TALENT AUCTION

The P&F Time & Talent Auction is fast approaching and we need your help! We are sure there are some hidden talents, some free time or even an interesting item or two out there that would love to be at our auction! If you know where they might be or you have some of them hiding out at your place, please donate them to our auction to help raise money for the school. The Time & Talent Auction is always a great time of fun and fellowship so save the date – Friday, June 15 commencing at 6:30pm – come along and join in the excitement!

“COOKFORACURE” SOUP!

The Grade 7&8 girls will be busy cooking for a cure tomorrow and making some delicious pumpkin soup and savory muffins and scones to sell during lunchtime. It will cost \$3.00 for a cup of soup and a savory muffin or scone. This is an initiative to raise money for “cookforacure”. Thank you for your support.

ENTERTAINMENT BOOKS

If you still have an Entertainment Book at your house please either return it or send \$60.00 to school as soon as possible! Thank you so much for your cooperation in this matter.

SCHOOL ASSEMBLY

This is an invitation for parents who would like to attend any of our school assemblies. They are held each Wednesday morning from 9.00 - 9.30. As we are currently renovating our assembly hall, they are held in the Grade 7/8 classroom ☺

MOVE WELL, EAT WELL

Our school has become a “Move Well, Eat Well” member. This is a statewide initiative working to support schools and other sectors to create environments where children can enjoy healthy eating and physical activity every day.

There are seven different criteria that we will be working on over the coming months and years, but we have already achieved the first one – “Tap into Water Every Day”. As a result of this, we received 100 free water bottles for students to use at school.

KINDER REPORT

We enjoyed making some sail boats and watching them float in the water. We talked about other things that need the wind to make them go. We still love doing our PACE work too!

PREP REPORT

Our senses lesson for this week was about tasting. We made some funny tasty mouths using apple, peanut butter and marshmallows. One of our reading stories was about filling up a jug at the tap. We talked about people in other countries who have to walk for a long way to get water. We are thankful to God that we have clean water to drink and that we can just turn on the tap.

Medal Winners

Ryan – for great spelling
Ethan & Ellie – for listening in assembly

Koorong Catalogue

Please return money and order in an envelope marked "Koorong Book Order" to school by Friday 8th June.

GRADE 1&2

This week we started on some of our work for convention. Mrs Cute is helping us with our sewing and we started writing a story. We are making pompoms using wool. They are a lot of fun!

Student of the Week

Aidan Lintern – for good work with multiplication on Mathletics

GRADE 3&4

Student of the Week

Bayden Rogers – for an improved attitude towards getting his work done

GRADE 5&6

We have all really enjoyed having Mrs Crowther in our class over the past two weeks. There has been opportunity to work in small groups with her. We have done some scientific observations of the leaf litter under the big eucalyptus tree on the oval. Also, we have been painting Van Gogh's "Starry Night". Along with all this we have been cooking, practicing for the cross country, and getting our PACE work done.

Student of the Week

Kashmir Howe – for having an excellent attitude

GRADE 7&8

Student of the Week

Jacob Adams – for constant hard work

GRADE 9&12

Student of the Week

Jordanne Turner – for a really awesome speech

PINK STUMPS DAY

Our school has registered as a participant in Pink Stumps Day 2012. Pink Stumps Day is a fundraising promotion that supports the McGrath Foundation raise funds for research into breast cancer. We know that every dollar makes a difference and our fundraising goal is \$250.00. In June we will be holding a number of small fundraisers including a cup cake stall, pink clothes day, a pink polish stall and more. Please support this worthy cause. Keep reading your children's diaries and the Gen for updates.
