GRADE 1&2

We are enjoying reading with our older book buddies, and having the grade sixes help us with some daily PE. Last week, we investigated why icy poles melt, and how they change from when they are hard. We are very sad that Emily is leaving. We wish her and her family all the very best. Emily, we will miss you!

BRAVE HEARTS

Brave Hearts is a K- Grade 4 program. Its main focus is on empowering children with the skills and knowledge on how to keep safe. Its focus is on personal safety and knowing how to stay safe, and knowing what to do if anything unsafe happens. It is not a sex education programme. The programme runs for 35 minutes, covering specially written songs and skits for this younger age level, including "telling someone you can trust", "private parts", "Yes and No" and "what to do if you feel unsafe". The programme will be held next Thursday, June 12 at 11:30am and we encourage parents to come along too. If you do not wish your child to take part in this programme, please let class teacher know.

Last Friday, while all the students were having a relaxing day off, the staff were 'working hard' at our annual Educators Conference. Great dedication staff ☺
