Our God is an awesome God.

I hope you know that. The heroes of the Bible knew that. One of Daniel's prayers has a wonderful beginning : "O Lord, great and awesome God, Who keeps his covenant and mercy with those who love Him, and with those who keep his commandments, we have sinned..." Dan 9:4. We need to take note of how Daniel approaches God

'Awesome' is one of those words that has crept into our slang. Then it means "very impressive", but our dictionary says its true meaning is "showing reverence, admiration, or fear". All of these are fitting for our attitude towards God. If we don't repent of our sins we sure need to fear God. There is also much to admire God for. What about his wisdom shown in creation & providence? We also must revere Him for He is a holy God. We, sinners, can't come near Him except through the Lord Jesus Christ.

Let us love our God with all our heart, with all our soul, and with all our strength. DL

Grade 5, 6 preparing for their play!!!!

MOVE WELL! EAT WELL!!

One of the components of our schools Move well, Eat well program is called Move, Play and Go. This term as part of Move Play and Go we are offering our cross country event as our Whole school physical activity opportunity. The cross country is to be held at Geneva on Friday the 26th June. In preparation for the Cross Country, most of our classes have been working steadily at improving their endurance and stamina when running.

We understand that not all students are good at or enjoy running but, we do ask that they give their best effort and that they aim to better themselves!! Please support this activity by encouraging your child/ren to do their best, and if possible come and support your child/ren at the carnival.
