COMMUNITY

What does it mean to be a community? Wikipedia says, "A **community** is a social unit of any size that shares common *values*, or that is situated in a given geographical area. It is a group of people who are connected by durable relations that extend beyond immediate genealogical ties, and who usually define that relationship as important to their social identity and practice". Our community of Latrobe has seen a difficult few days. The flood waters have taken lives, destroyed homes, killed livestock and left a big mess.

Yesterday Naomi Overton coordinated a group of students to make and deliver salad rolls to the folk in Latrobe, including emergency workers and even our Mayor, Peter Freshney. This has lead us as a school to extend a hand of love and care to those people in need, in fact the Bible tells us to do that. One farmer in Latrobe lost most of his dairy herd of cows. We would like to raise funds for him to commence purchasing new cows. So from today until the end of term there will be a collection box at the front office for students and families to make donations. Any spare change or pocket money will be gratefully accepted. And the funds from our last casual clothes day in Week 9 will also go towards this cause.

Kinder having fun with puzzles!

Today we had Luke from Monkey Baa Melbourne Theatre Company run a drama workshop with the Grade 8-12's. The workshop was based around the children book, The Peasant Prince, which these students will see live next week.

Kinder practicing concentration and balance skills

Shakespeare As You Write It visited Geneva on Wednesday. Within this interactive performance, actors took ideas from students and turned them into Shakespearean plays. Using modern day relative themes, the theatre company were able to bridge the Elizabethan era with the 21st Century. It was a great afternoon!
