## PARENTS & FRIENDS TIME & TALENT AUCTION!

A humongous thank you to everyone who donated to, participated in and purchased at our 2013 Geneva Parents & Friends Time & Talent Auction! It was a brilliant evening of fun and fellowship and we are very excited to announce that we raised just on \$7000 for the school! Once again, a huge thank you to everyone who made this happen, especially our exceptional auctioneer – Gordon Kelly! Thank you, thank you, thank you ☺

We had a super night at the Parents & Friends Auction! Thank you everyone!

## 2012 ANNUAL REPORT

Along with the GEN today each family received a copy of our 2012 Annual Report. It is a requirement for all schools to publish information to the school community and the general public on how each school is performing. These statistics will continue to help in making uniformed decisions about our strengths and pinpoint the areas in which improvement is necessary. A copy of this report is also available on our school website. [www.geneva.tas.edu.au](http://www.geneva.tas.edu.au)

## GRADE 1&2

We have been using the information we have learnt about oceans and different ocean animals to make posters on the iPad. We found pictures on the internet, saved them onto the iPad, and then arranged them on our poster. We then wrote some information about our animals on the poster. It has been lots of fun. We are also working very hard to finish our PACEs before the end of term.

## Student of the Week

**Noah Saltmarsh** – for finishing his goals on time.

## MADLINE PAYNE

Maddy Payne participated in the Burnie Eisteddfods with a piano solo in the U8 category and received first place!! Well done Maddy!

## JAKE MORGAN

Jake Morgan was a past Grade 10 Graduate of Geneva. He recently completed his initial 80 day training at the Australian Defense Force at Kapooka. Jake was the only Army soldier who was accepted as an Aircraft Fitter for Helicopters, and as he has experience in this field, his initial 23 month training will be shortened to 8 months. Of the 46 young men and women in his platoon, only 26 made it to graduation. Well done Jake ☺

Mrs Murphy took this very frosty photo out of her classroom window on a lovely -2 degree morning!!

## GRADE 5&6

We have had a great week. We are getting through all our work for the term. On Tuesday we went over the cross country track and we are very excited about the races on Friday.

## Student of the Week

**Tammen Westlake** – for working very hard to get all his work completed

## LATE PASSES

Parents, please make sure that if your child arrives late – they check in at the office and get a 'late pass'. Please also be aware, that we need **YOU** to come to the office when you arrive at school, even if it's just to drop a student's lunch off etc. Thank you for your understanding and cooperation.
