~Veridiano

THE GEN

Some of you may not be aware but we actually have an emailing list for the GEN. Are you finding that sometimes your paper copy gets lost or doesn't make it home?? Flick me an email at frontoffice@geneva.tas.edu.au and I can pop you on our emailing list for our Thursday GEN drop! -Loretta :-)

GET WISDOM, GET UNDERSTANDING

Had occasion to talk to students about a part of their memory passage for the month. Some parents are a bit dubious about learning Scripture. I just want to say how valuable the advice is that comes from God's Word. It is full of wisdom for young and old. Take for example the current passage. (Matt 7:24-27) It has the story about two builders who built a house each. A storm and floods came and one was destroyed, the other stood firm. The reason given was due to the kind of foundation used. The analogy is that the houses are our lives. What are we building our lives on? What's our living based on? How are we going to cope with the storms of life? We need to listen to what Jesus is saying and do it! DL

SCHOLASTIC BOOK ORDERS

Any book club orders are due back **TOMORROW!** Please get these in as soon as you can! Thank you :)

MOVE WELL EAT WELL

You may have heard the saying, "feed a cold, and starve a fever". Well this latest bug to go around appears to be more of a fever and we feel less like eating. That's not necessarily all bad. We can have a chance to detox our bodies of excess sugars and starches that we may not need. BUT it is very important to up your fluid intake. So here's a tip for you to follow: Set the alarm on your phone for every hour. Get up, go and fill a glass with water and drink it. While you're up go to the toilet (wash your hands!) and then go back to what you were doing. If you set this alarm from 9.00am to 4.00pm that's 8 glasses of water you will have during the day. It's amazing but you do actually feel so much better. You are moving and drinking water, 2 good things promoted by our MOVE WELL EAT WELL Programme!)

CAPTAINS' HAMPERS FOR TIME AND TALENT AUCTION

The captains would like to say a big thank you to all those who donated toward their hampers for the auction. After arranging the items they have decided to put in x4 Food Hampers and x1 Laundry Hamper. Well done!

11th June, 2015 Term 2, Week 8

THANK YOU ROYAL FLYING DOCTOR SERVICE

We are so blessed! On Tuesday and Wednesday we had special guests, Tom and Sarah from the RFDS here with us to share stories and take us through the aeroplane simulator!!! The entire primary school got the chance and everyone had a fantastic time!!!

STEPHANIE ALEXANDER KITCHEN GARDEN

Mr Brown has had the students cooking up a storm with lentil soup and curry in particular today. Lets just say the taste testers were very satisfied with the result!! :-)

Mr Stafferton has kept the grade 7/8 students very busy this week with lots of different things. Here they are building a new trellis in the orchard for espaliering fruit trees.
