KidsMatter Corner
Start the cybersafety discussion early, as soon as they start to become active in the online world. Be interested and seek understanding of the social media networks that they have access. It is more like it that they will come to you if they run into trouble.
•Keep the discussion open as they grow up.
•Monitor your family's time online.
•Set house boundaries.
•Consider using filters eg. netnanny.com
•Model positive online behaviour

DONATIONS
Just a reminder about our “COW” donation jar in the office. We are intending to take this money to a local farmer on Thursday, June 30 to go toward the purchase of a dairy cow. So if you have any spare change, left over lunch money or some extra saving, it would be appreciated:

ANYONE IN NEED
If you know of someone in the Latrobe area who has been affected by the flood recently, please can you give their name and details to the front office. We would like to offer help if we can:

Auction
TOMORROW, Friday the 17th June
Our P&F Team are hosting a school auction fundraiser. We invite and encourage parents, relatives, friends, neighbours etc. to attend!
 Viewing from 6.30pm for a 7pm start
All proceeds from the auction go directly back to our school through our P&F Team. Please bring a plate of supper to share

If you still have items or non perishable food to drop off for the auction, can you please bring them to the school office before 1pm. Thank you.
