TACE CROSS COUNTRY

Hi Everyone, get ready for tomorrow, our annual Cross Country. Just a few things you need to remember:

1. students are to wear their sports shorts and tshirt to run in and then have their track pants and rugby to put on afterwards. The track is wet and muddy and the forecast is showers ☺
2. an old pair of sneakers to run in is also a good idea
3. plastic bags for wet stuff and a towel
4. there is a canteen available (no order form necessary) sausages, sabs, home made soup, and lots of snacks, plus hot drinks
5. parents, we ask that you park in the stadium car park and walk up through the top car park into the primary playground
6. **we anticipate that the day will end around 2.15, so bus runs home will be 1 hour earlier than usual**
7. if parents wish to take their children home, please see class teacher before leaving

Thanks everyone, we are praying for a fun and safe day together.

GRADE 3&4

We have finished all our Pace work and we are celebrating with an excursion today. We have spent today touring Home Hill and having a splashing good time at the Devonport Aquatic Centre!

Students of the Week

Ana Abboud and Rita Omari – for excellent project work

GRADE 7&8

Students of the Week

Chelsea Whiteley – for consistently applying herself to her PACE work and for being friendly

Trent Nicholls – for doing extra Math & English

SEAT BELTS ON THE BUS

Please parents, can you reiterate the importance of wearing seat belts with your children. So many times our drivers have to ask the kids to put their seat belts on. This should be an automatic action, once they are seated, but it seems that many of them are putting them on then taking them off once the bus is moving. Our contract of bus behaviour, which all families agree to states that seat belt must be worn at all times while travelling on the bus. Help us keep your children safe ☺
