Making Good Decisions //

Before making a big decision, make sure it's you making the decision, not your emotions. There are good and bad times to make life decisions. And the worst time is during periods of emotional turmoil. Our moods can have a huge impact on what we say or think at a given time. When we're feeling low, things may seem hopeless and desperate, and that's not the time to decide something that may change our future. Other times our mood may be high and exhilarated, and that's not a good time either. Neither extreme is based in reality.

The best time to make a decision is during periods of calm and quiet reflection. Make sure you've considered all the alternatives and weighed your options. And once you're moving forward, don't be derailed by another round of emotions.

A BIG well done to our Musical Theatre group for putting on such an amazing performance. We know you have all worked so hard over the last few months and we really appreciate the time, effort and enthusiasm that you have put into this.

A BIG thank you to Mrs Bentley for directing this and another BIG thank you to the parents for transporting, rehearsing & even costume making with your children!

DO YOU SHOP AT WOOLWORTHS?

Woolworths are promoting the Earn & Learn Stickers available when you spend \$10 or more.

Geneva is collecting stickers so if you have any at home, please send them in with your child as we will put them with our collection!

BUS TIMES

Dear Parents/Students,

As we have increased numbers and bigger bus runs, we really need everyone to be, not just on time, but a little earlier to their bus stop each day.

If you could help us with this by being a few minutes earlier, that would be much appreciated.
