FYI - The first Monday of every term is always a student free day. It has been this way for 20+ years. It means that staff can use this day to prepare and have meetings in preparation for the kids on TUESDAY.

The term dates are also listed to the left of the GEN for your convenience. We encourage you to mark 'Dates to Remember' and 'Term Dates' down on your calendar. :-)

WELCOME TO TERM 3...

It is hard to believe that we are half way through this year. I am sure that technology has made things much busier and increased the time we spend doing things. In the "olden" days we received the mail once a day, you had to go to a home phone or phone box to make a call and if you wanted to "snapchat" you sent a post card. We are constantly available to everyone and everything. SO take some time out each day to stop, yes just stop, even for a few minutes. Be quiet, listen and breath. God reminds us in the Bible to "Be still and know that I AM GOD" Have Him restore your sole and refresh your spirit. Its so worth it:)

SCHOOL FEES

Term 3 Fee accounts will be going out next week, so if you have not yet paid your fee accounts for last term, we ask that this is done immediately, thank you:)

STUDENT CONVENTION

For those of you who are new to the school, our annual STUDENT CONVENTION is something you must get to know about. It is a time of fellowship and competition for all students from around Tasmania who use similar resources as we do. Areas of competition include Athletics, Art & Craft, Photography, Music & Platform and Academics. It is divided into two areas, Juniors (Prep to Grade 6) and Seniors (Grade 7 +). It is held every year in Term 3. This year it will be in our last week Sept 21 - 24 and so teachers and students will be planning, practicing and preparing now for events. Both the school and your child need to be organised for this event. The Convention and all the preparation that goes into it are a distinct and important part of our school's programme. More information will follow and continue throughout this term in the GEN. If you have any queries, please see your child's teacher or the folk in the front office. :-)
