GRADE 5&6

The students have been working on poetry for convention and they have produced some very beautiful poems and funny limericks. The students in grade 5/6 were so excited on snowy Tuesday when Tasmania was covered in snow. They wrote snow poems, watched the BOM weather radar, and used a compass to locate southwest so they could observe the stormy weather approaching. Then to top it off, Grade 5/6 joined in with the whole school snow trip. A wonderful time was had by all as they built snowmen and threw snowballs at anyone who came into range.
