P&F MEETING

There will be a Geneva Parents & Friends meeting on Monday, September 28 at 10:45am. All parents and friends most welcome.

PRAYER CORNER

~ Pray for the continued enthusiasm of teachers and students as they practice, practice, practice their music and platform events, as they work on their art and craft and especially for the senior students as they get all their judges forms and paperwork together.

(P.S. We realise we have put the above prayer point down for the last four weeks, but that is because we are not there yet and we still need God's help!)

~ Praise God for all the work that has been done already and for the enthusiasm that the students are showing in their efforts towards convention.

Everyone should be aware by now of what they owe for Convention. Just in case these are the following costs:

All Primary Students - \$30

All Secondary Students staying in Camp - \$190

This must be paid BEFORE Convention, so we ask that if you have not already paid that you do so within the next two weeks to school office or class teacher. A receipt will be issued.

Watch out next week for a Convention pack that will be sent to each family. This pack will include all information required for all aspects of Convention.

STAS RETURNS

Those families who have not returned their STAS forms, please do so by Monday.

HOW CUTE!!!

PREP REPORT

Monday was an exciting day! Joel's mummy brought 12 baby ducklings to look after for the day. We decided they were messier and smellier than the chickens that we had in the classroom 2 weeks ago, but they were still lots of fun to watch and hold! Our fish flag for the Deloraine craft fair is finished. We hope you like it!

GRADE 1&2 Medal Winners

- Sabrina** – for good sentence writing
- Chloe** – for great work
- Shae** – for a beautiful job putting cursive letters together

GRADE 3-6 REPORT

The Grade 3-6 class have been very busy these past few weeks. Everyone has been working hard to finish Convention items for Art & Craft. They have painted a flag for the 2009 Tasmanian Craft Fair, which is supported by the Wild Water World Cup. This is a project developed by the Rotary Club of Deloraine and many schools are participating. Flags will be flying on the banks of the Meander River, Deloraine, during the Tasmanian Craft Fair, October 30 – November 2. If you go, don't forget to watch out for our flags!

Student of the Week

Max – for a great effort at assembly and for being consistently diligent towards his pace work and convention items

Some of the weird and wonderful creatures to be found in the Grade 7-10 class! My, what a lovely hat ☺
