STUDENT CONVENTION

MONDAY SEPTEMBER 26 - THURSDAY SEPTEMBER 29

CAMP CLAYON - ULVERSTONE

Well it is that time of year again, when all the schools and home-school families in Tasmania, (who use the same curriculum that Geneva does), gather together for our annual Student Convention. It is a great time of competition, fun and fellowship. Old friendships are renewed and new friendships are formed. We get to see some great art & craft, hear excellent singing, recitation and instrumentals and experience some of the things that our students have been working towards since the beginning of the year. You should have a Convention Pack, which was sent out in the mail, highlighting everything involved in the Convention week. After reading through this, should you have any queries at all, please do not hesitate to contact your child's teacher or the school office. We ask for God's hand to be upon us during next week and seek to perform all to His glory. Please pray as a family for this to be so. We look forward to seeing you there:)

BUSES FOR CONVENTION

Last week we sent home a note informing all families of buses during Convention. You were required to send back a slip indicating if your child/children were travelling on the bus or if you were going to be transporting them yourselves. We have quite a few families who have not responded, if we do not receive your reply by Monday, we will assume that you do not require transport on the school bus. Please check to see if you have returned your slip and thanks to those who have.

MR DON CLARKE

Yesterday the Grade 1-3 class, along with Mrs Nicole Clarke, Chloe, Lachlan and Mr & Mrs Clarke senior, came together to plant a tree in memory of Mr Don Clarke, who sadly passed away in July. Please watch out for the newly planted memorial in the Geneva driveway, just before the bus shed. A commemorative plaque has been placed at the base of the tree.

GENEVA P&F CAR BOOT SALE

The Geneva Parents & Friends will be running a car boot sale on Saturday, October 29. There will be a charge of \$10 per boot/trailer/table, which will go towards all sorts of exciting things around the school. This is a great opportunity to get together with other school families, have a clean out of some "unwanted treasures" and make a little pocket money as well as having a fantastic day and maybe even picking up a bargain or two along the way! We would love every family to get involved so have a spring clean, gather together your odds and ends and bring them along to Geneva on October 29 for one fantastic garage sale ☺
