KIDSMATTER CORNER

Golden rules for kids' sleep
 Establish a bedtime routine
 -Keep bedtime consistent (within 30 mins), even on the weekends
 -Make sure they fall asleep in their bed
 -Remove all TVs, computers and mobile devices from their bedroom
 -Avoid caffeinated foods and drinks after 3pm
 Have a wind-down period yourself - show kids that a bedtime routine is important for the whole family.

School Photos

2016 school photos are on Thursday 20th October. You would have received a school photo pack on the first few days of this term. In this you should have received an order form to choose the photo packs that you would like. Please return the completed form to your child's classroom ASAP. Family photo forms are also available at the office.

Bibles for the Persecuted

We are joining with "Bibles for the Persecuted" to pray and provide financial support to send Bibles to Christians who are being persecuted for their faith. These folk continually request, "pray for us and please send Bibles." Each day, for the next 21 days we are reading stories of other children and adults in parts of the world who are suffering and finding it difficult to live because of their faith in Jesus. We have also placed in each class a cardboard money box for the students to give any amount of money. This will be collected up and given to the Bible League at the end of the three week period to buy Bibles to send around the world. We ask that you encourage your children to bring along any loose change to help support others and be an encouragement to them. For more information visit the Bible League YouTube channel.
