WELCOME & WHATS ON

Wow, Term 4 here already, where has the time gone? We have 10 weeks this term and amongst that are several long weekends, student free days and short weeks. Not much time to get lots done. We would like to say farewell to Johnathan and Dante Shaw and Hubert Hoffler and welcome Mia Rutherford and Zoey & Xavier Turner and their families.

During the holiday break we had construction work done in Grade 5/6. This will continue during the summer break and hopefully make room for our ever increasing student enrolments.

As this is Geneva's 50th year of operation, we are planning a celebration day on Friday, December 15th. We will be holding an open day, activities, photo display, luncheon and also include the launching of our celebration book. So keep this day free!

We pray that this term will be profitable for all and that God will bless the work of our hands as we minister to your children and continue to train them up in they way they should go:)
