KIDSMATTER

Why should primary schools be involved in promoting positive body image?

Body image has traditionally been seen as the domain of secondary schools, but there are many reasons why primary schools and even early childhood services should be involved in promoting a positive body image. How can we help?

- be adult role models in how we dress
- resist putting yourself down
- don't say something about yourself that you would not want your child to say about themselves
- counteract one negative comment with 3 positive comments

Over the last weekend a man, his wife and 2 sons were camping up the Hawkesbury River north of Sydney with friends. A group of kids were playing at the campsite when a tree fell and landed on Ryley, their youngest son (7). He was knocked unconscious, an ambulance was called and eventually airlifted to the Sydney Children's Hospital. He has since had surgery to remove his skull to allow the pressure off his brain. It has been a few tense days not knowing what the outcome would be. His mum is about to give birth to their third child. They have been keeping friends and relatives up to date with Ryley's progress. Through all the messages, there is a definite and sure hope in God. They realise that whatever the outcome, God has it! The dad (our nephew) said to me yesterday, "we have felt, throughout this whole ordeal, a most sure and unfailing peace . . . only a peace that God can give". Are you facing a difficult situation, does everything in life seem to be against you, is each day a struggle? Then see what Isaiah said, "God will keep those in perfect peace, who keep their minds fixed on Him". For though the world seems a hard and difficult place, God will never leave you or forsake you, and that's His promise!!

Remembrance Day

Tomorrow is Remembrance Day. At 11am, on the 11th day, of the 11th month, in 1918, the guns on the western front stopped after 4 years of World War 1. This day will always be remembered for the soldiers who gave their lives for our country, so that we can live in freedom today. We use a poppy for remembrance as poppies bloomed across some of the worst battlefields and their red colour became a symbol for the blood spilled in the war.

Grade 3/4 made Ciabatta in SAKG where they milled the grains themselves! The kids really enjoyed the process of milling the wheat and then making, cooking and eating the bread!

A BIG warm welcome to Christian Ross who joined our Prep class this week. We pray your settle into Geneva well and enjoy being here as much as we enjoy having you!

As we are now coming into warmer weather, its the perfect time to switch off devices and play outside! As a participating school in the Tasmanian Move Well, Eat Well program, we encourage our students to switch off! Remember to drink plenty of water and wear sun protection!

LIP-SYNC DANCE OFF

Geneva's Annual Lip Sync Dance Off Competition took place yesterday in our Stadium. With the whole school looking on, high school students took to centre stage and delighted and wowed the young... (and young at heart) with their chosen music, moves, lip syncing and in some cases, acrobatic moves. The effort by some dance troupes with their costumes and choreography was a delight to see and made for a very entertaining and fun morning for the whole school. Special thanks to the students who worked hard on their choreography and group communication skills. Also a special thank you to the dance student's parents, who no doubt had to listen to the same song over and over again, and supported their child with costumes. It's been a pleasure working with all of the students throughout this unit of dance and it has been a delight to see students gain confidence and really express themselves through dance.

Dance like no-one is watching,
Mrs Marks.
