People love to tell me how many days until Christmas! (38 actually) It gets you thinking about all the things that you intend to get done before the day, and the list just gets longer. But lets stop a moment and look at what Christmas is and why we have it highlighted on our calendar. It marks on the world calendar the birth of Jesus, around 2000 years ago. But its not just His birth we can celebrate its His life, death and ultimate resurrection, which of course gives the greatest hope to those who trust in Him. It's the Bible Society's 200th year, and they want to help share the really good news that Christmas brings, with you, your friends and family. They're giving away The Really Good News of Christmas – a quality eye-catching little book on the true message of Jesus' birth. This colourful 28-page book features simple text and bright illustrations that will appeal to all ages. These booklets are normally \$2 RRP but the Bible Society are giving up to three copies for free to each household. To redeem your copies, simply logon to the address below to make your claim. You can share with your neighbours, friends and family the good news of Christmas!

Would you like to spread some goodwill and Christmas cheer?

Why not send a parcel to one of our Defence Force members in combat right? You can send a care package up to 2kg to an Australian soldier who will be deployed over the Christmas period. As a school we would love to bless our soldiers fighting over seas. We will be collecting items at the school office to pack and send with notes from our students. If you would like to donate items, please send them into the office by November 30th.
