PRAYER CORNER

~ Praise God for the
wonderful time of fun,
fellowship & competition
enjoyed at Convention.

~ Pray for a constructive,
enthusiastic Term 4.

STUDENT CONVENTION!

Convention is finished for another year! The 2012 Tasmanian Student Convention was once again a brilliant time of fellowship and competition for all involved. Well done to all the Geneva students who participated and tried their best in the different categories and activities. A special congratulations to everyone who received awards on the presentation evening – you know who you are ☺ Well done!

There are still a few families who need to pay for Convention. Please do so ASAP!

- Primary - \$20, Secondary Non-Campers - \$40, Secondary Campers - \$150. Thank you for your cooperation in this matter ☺

WELCOME ☺

We have several new families in the school and we would like to welcome them all to Geneva and pray their time with us will be a real blessing.

KINDER & PREP REPORT

It has been exciting to get back into our school work this week. We welcomed Nicholas into our Kinder class on Wednesday and we are really glad he has come to join our fun class. We enjoyed tracing some pictures and learning new letter sounds. We have started a special "Book About Me", but we want to keep this a surprise for Mum and Dad! We loved listening to Mr. Lincolne's fun message in assembly about jobs, working hard and doing our best. We know that God wants us to work hard and do our best at school.

WE NEED YOU!

On Sunday, October 28, Kid's connection is planning a day of fun, learning and outreach. We are looking for helpers to do all kinds of exciting things! If you would like to help please contact Monica on 0437 100 384

WANTED: GRAIN MILL

Geneva's "Growing our Bread" project is progressing. Some students have learnt to make naturally fermented bread (sourdough bread). We have planted areas of spelt and rye. Soon we will need a grain mill so we can mill our own flour to make bread. If you have a grain mill you don't use or don't need please contact our chaplain – Chris Stafferton on 0437 966 987

Move Well Eat Well

Healthy lunchbox ideas

PLANT FRUITS & VEG IN YOUR LUNCHBOX

Help our school to make healthy eating part of every student's day by sending a lunchbox that supports the Move Well Eat Well messages:

- Tap into water - water is the best way to beat thirst, so include a water bottle with your child's lunch.
- Plant fruit and veg in your child's lunchbox - include fresh fruit or veggie sticks or a salad roll or salad wrap.
- Limit 'occasional' foods in the lunch box (like chocolate, chips or muesli bars - keep these for special occasions at home). Replace these 'occasional' snacks with 'everyday' snacks like:
 - fresh fruit
 - air-popped popcorn
 - fruit bun
 - wholemeal crackers
 - pikelets
 - fruit tubs with cheese

If you have a cooler pack in the lunchbox include snacks like:

- vegie sticks and dip
- yoghurt
- custard

SCHOOL FEES

Term 4 Fee invoices have gone out today. If you have outstanding fees from previous terms please settle these immediately.
