## BUDDIES NOT BULLIES

We have a programme running in the school at the moment that promotes friendly relationships. I realize this should be the case always, but it is good sometimes, just be reminded of how we should treat and talk to others. The Bible tells us that. In this light we have for sale (\$2) in the front office, wristbands with "Buddies not Bullies" printed on them. So if your child would like to buy one to wear at school, send them to the front office with \$2. We have adult sizes too!

## NATIONAL CONVENTION

This year is a National Convention year, and a group of 10 senior students and Mrs Lincolne are heading to Sydney in December to compete. We will also join with students from Seabrook school and some Tasmanian home schooling families. Later in the term we have a bush dance planned to raise some funds towards this trip, so watch out for that:)

## NEW BUILDING

Our new classroom and Art room are well on the way to being finished. In fact we hope to move the art room across during November and start having art lessons in there. The new classroom will be ready for "a class" next year. A decision will be made very soon as to which class will move into the new room next year:) We will keep you posted on that and also when the official opening will be, everyone is invited:)

This week after lots of planning and preparation our hens arrived. Devonport Poultry Club members, Mr & Mrs Dick of Wesley Vale, kindly donated the hens to Geneva. Soon we will also have some eggs to hatch.

Our hens will provide eggs for the kitchen activities, and excess eggs will be available to our 'Chook Club' Members. The Chook Club will help buy food for the hens, and help prepare the show birds for poultry shows. More about the Chook Club later!
