8 NON-NEGOTIABLE DUTIES OF A FATHER

I have this little card with these eight duties listed on it from "Growing Families, Australia", which I would love to share with you. If you would like a plastic coated card of your own, please ask me.

1. A father must cultivate a sense of family identity.
2. A father must regularly demonstrate love to his wife.
3. A father must respect his child's private world.
4. A father must give his children the freedom to fail.
5. A father must be the encourager of the family.
6. A father must guard his tongue and tone.
7. A father must routinely embrace his child.
8. A father must build a relationship of trust with his children built on God's Word and not human wisdom.

PREP REPORT

Our seeds have grown and now our cup men have green hair! The sunflower seeds have also shot up very fast and we are looking forward to watching the radishes grow. We love to look every single day at the things we are growing and are enjoying watering and taking care of our seeds and plants! We know that it is our great God who causes seeds to grow and it is our job to look after them!

'Where Is My Paper?'

The irate customer calling the newspaper offices, loudly demanded to know where her Sunday edition was.

'Ma'am, said the employee, today is Saturday. The Sunday paper is not delivered 'til Sunday.'

There was quite a pause on the other end of the phone, followed by a ray of recognition.

'So that's why no one was in church today.'
