**NO FOOD OR DRINK ON BUSES**

It has been our policy not to allow consumption of food and drink while travelling on the school buses. We wish to emphasise this once again. Firstly, spillage is a problem and also moving around in the bus to put rubbish in the bin. So we ask that you have a chat with your child and reiterate the no food or drink rule. Water is allowed if necessary ☺

**GRADE 5&6**

Grade five/six have been so busy this term already. We are working hard on our PACEs, we've been cooking, gardening, playing sport and learning about light and light sources. We put a black light in the PACE cupboard and went inside the cupboard. Wow! Everything looked awesome; our clothes, the paces the tables and everything that was white glowed really brightly.
