### TEACHING GOOD TV HABITS

Here are some practical ways to make tv-viewing more productive in your home:

- **LIMIT** the number of TV-watching hours.
- **PROVIDE** yourself and your family with Christian TV options.
- **STOCK** the room in which you have your TV with plenty of other non-screen entertainment.
- **KEEP** TVs and internet connections out of bedrooms.
- **TURN** the TV off during meals.
- **SET** a good example by limiting your own TV viewing.
- **PREVIEW** programs before your kids watch them.
- **COME** up with a family TV schedule that you all agree upon each week & watch together.
- **TALK** to kids about what they see on TV and share your own beliefs and values.
- **TALK** to other parents, your doctor, and teachers about their TV-watching policies and kid-friendly programs they'd recommend.
- **OFFER** fun alternatives to television.
- **WATCH WHAT MATTERS** - you have one life, so use your time wisely.

### SAMARITANS PURSE SHOE BOX APPEAL

The story of the Good Samaritan (Luke 10:30-37) gives a clear picture of God's desire for us to help those in desperate need wherever we find them. After describing how the Samaritan rescued a hurting man whom others had passed by, Jesus told His hearers, "Go and do likewise." For over 40 years, Samaritan's Purse has done their utmost to follow Christ's command by going to the aid of the world's poor, sick, and suffering. They are an effective means of reaching hurting people in countries around the world with food, medicine, and other assistance in the Name of Jesus Christ. This, in turn, earns them a hearing for the Gospel, the Good News of eternal life through Jesus Christ.

As part of this, each year they pack and send shoe box's as gifts to those in need. What goes in is fun, what comes out is eternal. Every gift-filled shoebox is a powerful tool for evangelism and discipleship - transforming lives of children and their families around the world through the Good News of Jesus Christ.

We would like to THANK-YOU!!! Each and everyone of you have helped this cause by bringing along a gold-coin donation to our casual clothes days. Your gold coins have funded the cost of the boxes, items to fill the boxes and will continue to fund the shipping costs to deliver the boxes. Another special thanks to Miss Diana Martin who has headed up this program for us. She has done an exceptional job of coordinating the Shoebox appeal this year. Thanks, Diana!

You will see pictures on the next page of our students helping with the packing of the boxes. :-)

### FABLAB

Last term in FabLab our high school classes made hobby rockets and used maths to figure out how high and how fast they went. Each group had two to three attempts at launching their rockets. Some rockets were impressively successful while others were not so... (some landing in our school dam and off in high in trees.) Pictured are Hugh and Sam with their rocket, Clarence.
