A TOUCH OF FAITH

One day a chronically ill woman who had hemorrhaged for 12 years pushed her way through the crowd and touched the hem of Jesus' garment. And immediately she was healed. '...Jesus said, Who touched Me? When all denied it, Peter and those with him said, Master, the multitudes throng and press You, and You say, 'Who touched Me?' But Jesus said, Somebody touched Me, for I perceived power going out from Me. Now when the woman saw that she was not hidden, she came trembling; and falling down before Him, she declared to Him in the presence of all...how she was healed immediately. And He said to her, Daughter, be of good cheer; your faith has made you well. Go in peace.' (Luke 8:45-48 NKJV)

What's at work in this story? *An undiscerning spirit.* Observe Peter's words, 'Master, the multitudes throng and press You, and You say, Who touched Me?' Understand this: Jesus can tell the difference between the indiscriminate touch of the crowd, and a touch of faith. Faith draws on His power and brings results! Notice, this woman touched the 'hem' of Jesus' garment. The last thing a dressmaker does when she makes a garment is to sew up the hem. So the hem represents 'the finished work'. The same back that bore the cross which takes away your sins, also bore the stripes which take away your sickness. '...And by His stripes we are healed.' (Isaiah 53:5 NKJV) What do you need today? Forgiveness of sins? Healing? Reach out in faith and touch Jesus, and you too will be made whole.

PRIMARY STUDENT FREE DAY

On Friday, December 6, all Primary students will have a student free day as the Primary staff have a programme planning day for 2014:)

KINDER TASTER DAY

On Friday, December 6, we are holding a Kinder Taster day for all those little ones who are enrolling for Kinder in 2014. It will be held in the Kindergarten room from 9.30 - 11.30 and will be a time for parents and children to meet the teacher and one another and to get a feel for what 'big school' is like.

GARDE 1&2

Lots of things have been happening over the past two weeks! We have been on bug hunts, and gone to see a science circus, and we've done some planting and some cooking.

Student of the Week

Gabriella Scrimgeour – for excellent journal writing.
Ryan Wilson – for persevering with Animal Science

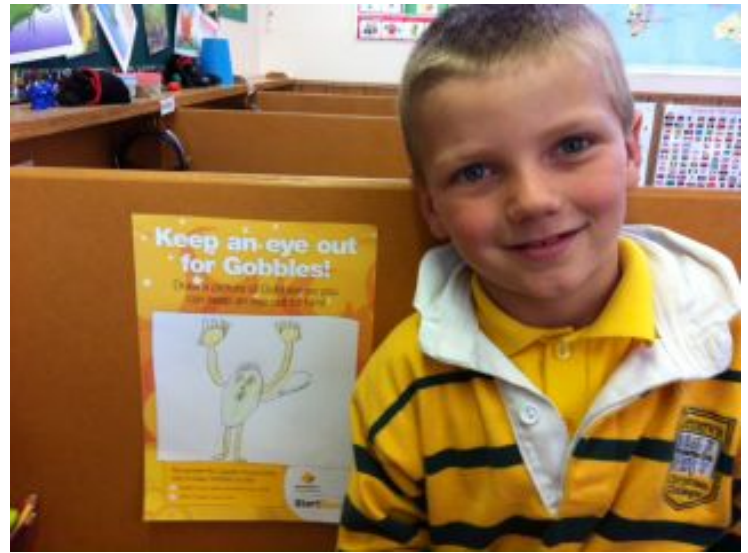

2014 FEE SCHEDULE

All families will receive in the mail a letter from the Board in regards to fees for 2014, please watch out for that in the mailbox ☺

OUTSTANDING FEES & UNIFORM

If you have any outstanding accounts, please can you settle these as soon as possible. We would like all accounts cleared before the end of term, which is also the end of the school financial year ☺

GROWING BREAD PROJECT

This week our Growing Bread Project reached another milestone when we used a pair of millstones to mill our grain. Today we are baking bread using some of our 'school grown' flour! The bread is made with flour and water. We used our sourdough leaven that was also made with flour and water, cultured and maintained by feeding it flour and water!

This week our Grade 1&2 group planted sunflower, watermelon and runnerbean seeds. They also worked on tripods for the runner beans to climb.
