**LUNCH IN THE PARK FOR SUICIDE AWARENESS**

New Horizons, in partnership with TasTAFE, are hosting a Lunch in the Park with the aim of raising awareness around the seriousness of the issue of suicide, particularly in the Kentish municipality.

Suicide claims around 2500 lives in Australia each year, which is more than in fatal car accidents. Tasmania has the second highest rate of suicide in Australia, with the Kentish region having the highest rate in North West Tasmania.

Lunch in the Park is to be held on Saturday 22<sup>nd</sup> of November 2014, from 11am-3pm at the Kentish Community Road Safety Bike Park in Sheffield. On the day a sausage sizzle will be provided, along with face painting, kids craft, kid's corner, stalls from various organisations and general information regarding suicide awareness.
