## GIVING

Today, 8 senior students went to the Red Cross Blood Bank in Devonport to donate blood for the first time. Not all were eligible today, but all were keen. The people at the blood bank informed us that with the blood that each student gave, it had the potential to save 3 lives. Whether you are a blood donor or not, there are ways that you can give to others. Mow someone's lawn, chop their wood, wash their car, do their ironing, babysit their kids. The list is endless. Today we see so much about doing things for yourself, looking after number one! The Bible teaches us quite the opposite. We are directed to give to others and do for others. What have you given this past week to help someone else? What can you give in this coming week to make someone's life just that little bit better? Jesus instructs us quite clearly that "It is more blessed to give than to receive". Acts 20:35

## P&F END-OF-YEAR LUNCH

We are very grateful and would like to thank the parents and friends who have supported the Geneva P&F this year. You are invited to the end of year break up which will take place at the Cherry Shed, Latrobe on Friday 2<sup>nd</sup> December at 1.00 pm. Please let me know if you can come by Monday 28<sup>th</sup> November. Thanks, Michele Colledge - 64270600

### KINDER & PREP REPORT

The highlight of this week was having Mrs. Scrimgeour visit with Ella's new baby sister. We loved watching Evie have a bath and once she was dressed again we were able to have a cuddle of her. She cried when we held her, so we sang her our song about shining for Jesus, but it didn't seem to help! Thank you so much Mrs. Scrimgeour for taking the time to bring Evie to school. We are so glad that we were able to meet this precious little baby girl.

### KOORONG ORDERS

Don't forget to return all orders to school by tomorrow. Please have order form and money in an envelope marked "Koorong Orders".

### GRADE 1-3 REPORT

This week, Mr Stafferton put together a small garden for the Kinder, Preps and us. Yesterday, we planted some vegetable seeds and some Australian wild flowers. We hope they will grow before the end of the year! We have also started learning about different Australian animals. We have researched what they eat and where they live.

### GRADE 4-6 REPORT

We have had such a busy, exciting week. We all enjoyed it when Mellar the policeman came and talked to us about being unique individuals and being under God's authority.

### GENEVA BUSH DANCE

A huge thank you to everyone who came along to the Moriarty Hall last Friday night and made it such a fantastic evening of fun and fellowship! We received this little note from the Billy Tea Bush Band guys – Mick & Phil.

"We had a wonderful day too! Phil caught his plane with 20mins to spare and we enjoyed the plates of supper we were given to take on our way to the airport. Thank you for inviting us to Geneva and to all the staff who supported the afternoon bush dance. Your students are a credit to the College and their enthusiasm was fantastic."
