NITS!

Please be aware that nits are on the loose again! We recommend that parents check their children's hair thoroughly and keep it tied back and neat. If you find that your child has head lice, please treat them appropriately before they return to school. It is also a very good idea to wash bedding, clothing and hats to stop the spread of these nasty little monsters! Please join with us in this fight! Thank you.

A QR CODE FOR OUR GEN!

Thanks to Winston, Aidan & Levi in Mrs Murphy's Grade 5&6 class, we now have a QR code on our GEN! Simply scan the QR code with your smart phone or iPad and it will take you to the Geneva website where you can view the latest copy of the GEN. Thank you.

KINDER REPORT

We enjoyed making lemonade and it tasted delicious. It was fun to help Mrs. McConnell squeeze the lemon juice into the jug. This week our new letter sound is "k". We went outside to fly a kite and then made some beautiful kites of our own.

PREP REPORT

We are continuing to enjoy our frog lessons and are excited to notice that some of our tadpoles have back legs. We played a fun game of leap frog in the classroom! Our hungry caterpillar books are now finished and everyone has been very creative with their illustrations.

KOORONG KIDS CATALOGUE

Please return any orders to school by tomorrow, Friday, November 23. Place order and money in an envelope marked "Koorong Book Order".

GRADE 1&2

This week in our class has been very exciting! Last Friday we had a blue tongue lizard join our class. She crawled in the door and curled up under the desks. At lunch time we found a second one out on the deck! We have been writing a book on the iPad about blue tongue lizards. They are fascinating to learn about. We also went on a rubbish pick up to clean our school. We found so much rubbish!

Student of the Week

Sarah Marks – for working hard with a great attitude.
