## GIVING ACCOUNT

We are all going to stand before the judgment seat of God one day. We are not going to give an account of others to God, nor are they going to give an account of us. Each one of us will give an account to God for what we have and have not done in this life. It will not be a time to judge others and say, 'Let me tell You, God about so and so'. Oh no, it is our own account that we should be concerned about. The Greek word for 'account' is logos, or word. It is also an accounting term where we see debits and credits.

Many people believe if their good works or credits for the Lord weigh more than their sins or debits, then they will be alright. This is absolutely false. We all have sinned against God in thought, word and action we owe God a debt that we cannot pay. Why? God is infinitely holy and perfect, when we sinned against God we have not sinned against a man, but against the majestic infinitely holy God.

As He is infinitely holy and perfect, the sins we have committed require a perfect payment. Jesus Christ was that perfect payment. He paid the price that we owed to God. When the sinner realises he is bankrupt before the Lord, confesses his sins and embraces the righteousness of Christ, he will be saved. Are you at that point in your life? The Bible says today is the day of salvation!

Some of our primary students visited Meercroft today and put on a little concert ☺

## THANK YOU

A huge thank you to everyone who have supported the school through the Scholastic Book Orders. We have had another fantastic year and are grateful for your participation and enthusiasm. – Ruth Butler

### KINDER/PREP REPORT

It is getting so close to the end of the year and we are all looking forward to being in new classes next year. We are finishing off Paces and lots of other workbooks, but also have time to do lots of fun activities each day.

### MUSIC CONCERTS

Thank you to all the students who performed at Karingal last Thursday and Meercroft today. You were a blessing to the elderly and they really enjoyed your items. Also, a group of students performed at the Northdown Carols on Sunday night. You did an excellent job and it is lovely to see you praising and glorifying God through your music, poem and song.
