CALL HIS NAME JESUS

What's in a name? Most of our names have a meaning. The job of naming Joseph and Mary's baby was not left to them. An angel from Heaven brought the news to them. This was a name straight from God the Father. It tells us the purpose and mission that the Son of God was set to accomplish. Jesus came to save His people; people who had believed in Him in the past and people who would believe in Him in the future. Are you one of these people? Believe on the Lord JESUS Christ and you will be saved. But to save His people, He would have to die for them. Die? Yes, Jesus came to die. All these activities happening around the world celebrating Christ's birth just don't seem to take into account the awesome and awful nature of His mission.

On the cross, mission accomplished!!

CAROLS CONCERT

Don't forget! **TOMORROW** night, Steve Atkins is performing at the Christmas Carols Concert!! From 7pm onwards at the Performing Arts Centre, Pitcairn Street, Port Sorell. Entry is free!! Take the whole family. :-)

PRESENTATION NIGHT

Next Tuesday, December 16th is our Annual Presentation Evening at the Latrobe Memorial Hall. This is an evening where we all come together to thank God, students present items and we honor those who have achieved throughout the year. We ask that families assemble at 6:30pm, with students in FULL SUMMER UNIFORM. We commence at 6:45pm and usually end around 8:30pm. Parents, relatives and friends are most welcome to attend. As this is a special evening for our students, we ask that those families with small children keep noise to a minimum or take them out so as not to disrupt the evenings procedures.

It is expected that all students be present for this night. If for some reason you will not be in attendance, please contact the front office.
