PRAYER CORNER

~Pray for staff and children as they wrap up for the end of the year.
 ~Praise God for a fantastic term that we have had and all of the things we have achieved.
 ~Praise God for his continued faithfulness to Geneva this year!

Monday, December 14th

We have several classes going out on excursions: Grade 1/2 to the Bluff, Grade 3/4 to Ulverstone Water Slide and Grade 5/6 to Launceston. There will also be a waterslide set up at school for Grade 7-12 students. They may wear casual clothes and bring old clothes to go down the water slide on. Remember to bring a towel and plastic bag.

Tuesday, December 15th

Grade 7 are going on a mystery excursion and Grade 8 are going to Launceston. The whole school can wear neat casual clothes this day to get their uniforms ready for Presentation Night this evening. This commences at 6.45pm in the Latrobe Memorial Hall. It is a time of thanksgiving and presentation of awards. All families, relatives and friends are welcome. The evening will conclude around 9.00pm

Wednesday, December 16th

Last day of term, the whole school can wear neat casual clothes ready for our school picnic. We are heading to Hawley Beach after morning tea for swimming, games, sand and sun. All students need to bring a cut lunch, drink, hat, sunscreen, bathers and towel and a plastic bag. Families are welcome and if parents want to collect their children from the beach they can do so before 2.30pm. Buses will return to school in time for normal bus runs home. This evening is our Seniors Dinner (Grade 10-12) leaving Geneva at 6.30pm.

SCHOOL FEES

Our Accountant has requested that all outstanding fees be paid this coming week. Any invoices still outstanding as of 31/12/2015 will incur a 10% increase.

*For YOU are GREAT and you do wondrous things."

WINNERS

Building Designers Australia, named our new Grade 7 Learning Centre/Art Building the "Public Buildings/Structures" sector WINNER! A huge congratulations to Milton Smith for the wonderful design of our new building. We are very thankful!

We are featured in their recent magazine that talks about, "The outlook through the building shows established deciduous trees over the colleges' rural setting on the outskirts of Latrobe." How lovely!

FYI - did you know that the warm tones of interior timber paneling inside came from trees that were grown here on Geneva grounds?!

The lower level Arts Room opens out to the north to a sunny, covered, paved area that can be utilised as 'creative space' for students with rural views through deciduous trees. The upper level is the general teaching space with access onto a partially glazed deck. An access toilet is included which doubles as a staff facility. Initially a stair was included, but was deemed as a cost saving measure. This allowed the stair space to become 'Classroom' space. A compliant ramp adjacent to the building meets the BCA requirements for access. The building is highly insulated including double glazed windows, is partially earth bermed and has good solar access. Stimulating colours have been selected giving the 'Art Building' a distinct identity.
