Term 2 | Thursday, May 19th, 2022 | Week 3

DOES YOUR TALK, MATCH YOUR WALK?

If your life was photographed and put on the front page of the newspaper or if your conversations were taped and put on the radio, would they match who you say you are? If you took a lie detector test would you pass, always telling the truth. I am sure that none of us could answer a confident yes every time! We would have those moments where our behaviour, language and conversations would cause us much embarrassment and we wouldn't want anyone to know about them. Jesus was accused of many things while going about His ministry here on earth, but whenever questioned He was able to answer with such truthfulness, clarity and wisdom, more often than not catching out those questioning Him. Jesus' talk definitely matched His walk.

The Bible tells us that one day we each will be required to give an account of how we lived our life. "Every knee will bow before God, every tongue will acknowledge God, so then each of us will give an account of ourselves to God" Romans 14:11-12

Can you honestly commit to saying your TALK matches your WALK?

Parent Teacher Interviews

Parent Teacher Interviews are a fantastic way to get involved in your child's education and discuss with the teacher their learning progress for the year so far. This year we are trialling an online booking system, SOBS, which allows parents and guardians to book interview times on the allocated dates. We are very excited that many families have already booked their interviews and have reported that the system is easy and hassle free. If you are yet to make your bookings, we strongly urge you to do so as these interviews are important and extremely beneficial for you and your child.

Parent Teacher Interview dates are as follows:

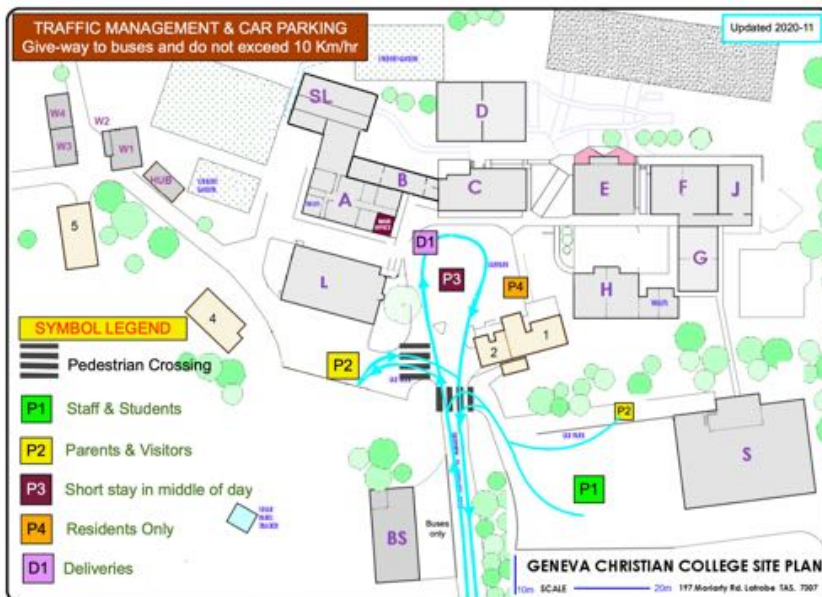

- Kindergarten - Year 6: **NEXT WEEK** Tuesday, May 24th and Wednesday, May 25th.
- Years 7 - 10: Monday, May 30th to Thursday, June 2nd.

Online bookings are open now, please use the following URL to get started:

Traffic Management & Car Parking

We are receiving an increasing number of complaints around our carpark and it's safety. Unfortunately, majority of these complaints are reports of vehicles travelling at speeds much faster than the 10kph stipulation in our driveway and carparks. As our school grows we are aware and understand the frustration around our carpark areas and have a plan for the future. Until then, we kindly ask you to slow down to ensure the safety of those around us. Thank you for your assistance.

GEN XY CAMP

The wait is over! Registrations for Gen-XY Camp are OPEN! This much-anticipated camp, designed specifically to be a weekend to reconnect, take a break and, of course, have loads of fun. If you are in this generation, (and grew up in the eighties!) we can't wait for you to join us in what is going to be a phenomenal camp. For couples, singles, old friends and new; a weekend not to be missed, and we hope to see you there! For more information, and to register:
